Dear Mr. Francis:

Re: JCA Community Centre Renovation Project

This is a follow-up to our telephone conversation in which you agreed to help our fundraising by purchasing a door. This is to confirm that the cost for each of the three main doors is \$500.

As is the case with the "Buy-A-Brick" the purchase of a door will be recognized in a permanent way.

Renovations are proceeding on schedule and completion is slated for mid-July. Again, many thanks for your support.

Yours truly,

Jamaican Canadian Association

Herman Stewart
President
